

Explanatory Notes for Annual Governance Statement 2020/21

Item 7¹ DPC has not yet received the report for the external audit for the 2019/20 period, so are unaware if there are any actions raised in the report.

Item 8² DPC received a donation for £270k to buy a piece of land (£260k) and for incidental costs (£10k), for future use as a community car park.

For many reasons, the current Council unanimously decided not to proceed with this project.

We are currently advised by Counsel, that our only liability is the remainder of the donation, which is unspent. This amounts to £351.
