

<p>What</p> <p>To allow Datchworth Village Hall to register the land on which the hall sits.</p>	<p>Date</p> <p>09Aug23</p> <hr/> <p>Committee/ Working Group</p> <p>G&L</p>
<p>Why</p> <p>DPC had previously asked EHDC's legal team to register the land on which the hall sits, as custodian trustees of the hall. That role has now transferred to the Official Custodian (part of the Charity Commission) and the OC should now register the land on behalf of the hall. We have taken advice from lawyers, the charity commission and specialist hall advisors to establish that the proposes process is the correct one.</p>	
<p>How (including Time and Money)</p> <p>No financial implications.</p> <p>Minor time implications - an email to the EHDC legal team.</p>	
<p>When</p> <p>At the August EPCM I shall request the following resolution is passed: That we instruct the EHDC legal team to withdraw our land registry application in order that the hall can complete the process via the Official Custodian.</p> <p>The process could be completed by DPC by the end of August.</p>
